When I try to access Infohub it says my IP address is not authorized?

Usually, this error occurs if you are working from home are not connected to the VPN.

Connect to the VPN and see if that resolves the issue.

If you are connected to the VPN please try the following steps individually:

1. Close **all** browser windows and relaunch the browser
2. Clear cache and cookies for all time
3. Disconnect from and reconnect to the VPN
4. Ensure you are using Microsoft Edge and not Google Chrome

If you still cannot access Infohub, please submit a helpdesk ticket.
